

Session #1- Friday May 8, 2015. 9:00 till 10:10

SESSION	DETAILS	LOCATION
<i>Hospitality and Tourism</i>	<i>Best Practices – Bring Your USB!</i>	<i>South Studio 3</i>
<i>Construction Technology</i>	<i>Safety Assessment and Documentation</i>	<i>South Studio 1</i>
<i>Green Industries</i>	<i>Green Walls in Education</i>	<i>Garden Studio 1</i>
<i>Hairstyling and Aesthetics</i>	<i>Info for Skills Competition – Lecture, Demo and Hands On</i>	<i>Britannia Room Part 1 of a Double session Presentation repeated session 1&2</i>
<i>Coordinators, Consultants and Board Leads</i>	<i>Coordinators, Consultants and Board Technological Education Leads</i>	<i>Garden Studio 3</i>
<i>Computer Technology</i>	<i>Technological Innovation and Entrepreneurship</i>	<i>South Studio 2</i>
<i>Transportation Technology</i>	<i>ARGO simulation based elearning for Transportation</i>	<i>North Studio 3</i>
<i>Technological Design</i>	<i>Putting the “Emphasis” on Tech Design</i>	<i>North Studio 2</i>
<i>Manufacturing Technology</i>	<i>Robotics and Safety in Technology Programs</i>	<i>Patio Studio 1</i>
<i>Manufacturing Technology</i>	<i>Mastercam for Secondary Schools</i>	<i>North Studio 1</i>
<i>Communications Technology</i>	<i>Communications Technology Emphasis Course Safety Resources</i>	<i>Greenwich Room</i>
<i>Hairstyling and Aesthetics</i>	<i>Hairstyling and Aesthetics Emphasis Course Safety Resources</i>	<i>North Studio 6</i>

Session #2- Friday May 8, 2015. 10:50 till 12:00

SESSION	DETAILS	LOCATION
<i>Hospitality and Tourism</i>	<i>Hospitality and Tourism Emphasis Course Safety Resources</i>	<i>South Studio 3</i>
<i>Construction Technology</i>	<i>Integration of Personal Devices in the Shop</i>	<i>South Studio 1</i>
<i>Green Industries</i>	<i>Creating an Experimental greenhouse</i>	<i>Garden Studio 1</i>
<i>Hairstyling and Aesthetics</i>	<i>Info for Skills Competition – Lecture, Demo and Hands On</i>	<i>Britannia Room Part 2 of a Double session Presentation repeated session 3 &4</i>
<i>Coordinators, Consultants and Board Leads</i>	<i>Coordinators, Consultants and Board Technological Education Leads</i>	<i>Garden Studio 3</i>
<i>Transportation Technology</i>	<i>Transportation Technology Emphasis Course Safety Resources</i>	<i>North Studio 3</i>
<i>Technological Design</i>	<i>Technological Design Emphasis Course Safety Resources</i>	<i>North Studio 2</i>
<i>Manufacturing Technology</i>	<i>NCSIMUL Virtual Machining Simulation Solution: an NC Machine on the Desktop of Every Student</i>	<i>North Studio 1</i>
<i>Ministry of Education Workshop</i>	TBA	<i>North Studio 6</i>
<i>Communications Technology</i>	<i>After Effects With Post-Secondary Support</i>	<i>Greenwich Room</i>
<i>Computer Technology</i>	<i>Computer Engineering Emphasis Course Safety Resources</i>	<i>South Studio 2</i>

Session #3- Friday May 8, 2015. 1:45 till 3:00

SESSION	DETAILS	LOCATION
<i>Construction Technology</i>	<i>Construction Technology Emphasis Course Safety Resources</i>	<i>South Studio 1</i>
<i>Green Industries</i>	<i>Safety Strategies for Green Industries Classrooms</i>	<i>Garden Studio 1</i>
<i>Hairstyling and Aesthetics</i>	<i>Hairstyling Competition Elements</i>	<i>Britannia Room Part 1 of a Double session</i>
<i>Department Heads Workshop</i>	<i>Inside the Heads of Department Heads</i>	<i>Garden Studio 3 Double Session</i>
<i>Computer Technology</i>	<i>Teaching Electronics in Computer Engineering</i>	<i>South Studio 2</i>
<i>Transportation Technology</i>	<i>CDX: TTJ Online: New Content and Moodle Features</i>	<i>North Studio 3</i>
<i>Technological Design</i>	<i>Renewable Energy Training – Instructional Resources</i>	<i>North Studio 2</i>
<i>Health Care Workshop</i>	<i>Health Care Emphasis Course Safety Resources</i>	<i>Patio Studio 1</i>
<i>Communications Technology And Computer Technology</i>	<i>Reconnected Things-An “Internet of Things” (IoT) Primer</i>	<i>Greenwich Room</i>
<i>Manufacturing Technology</i>	<i>Safety Check for Manufacturing Shop</i>	<i>North Studio 1</i>
<i>Ministry of Education Workshop</i>	<i>TBA</i>	<i>North Studio 6</i>
<i>Hospitality and Tourism</i>	<i>Think skills and automation..... think food technology!</i>	<i>South Studio #3</i>

Session #4- Friday May 8, 2015. 3:45 till 4:30

SESSION	DETAILS	LOCATION
<i>Hospitality and Tourism</i>	<i>Chocolate work and fresh garnish</i>	<i>South Studio 3</i>
<i>Technological Design</i>	<i>Solids Design Made Easy</i>	<i>South Studio 1</i>
<i>Green Industries</i>	<i>Green Industries Emphasis Course Safety Resources</i>	<i>Garden Studio 1</i>
<i>Hairstyling and Aesthetics</i>	<i>Hairstyling Competition Elements</i>	<i>Britannia Room Part 2 of a Double session Presentation repeated session 1 &2</i>
<i>Department Heads Workshop</i>	<i>Inside the Heads of Department Heads</i>	<i>Garden Studio 3 Part 2</i>
<i>All Secondary Technological Areas</i>	<i>Management – a Collaborative Program</i>	<i>South Studio 2</i>
<i>Transportation Technology</i>	<i>CDX: TTJ Online: New Content and Moodle Features</i>	<i>North Studio 3</i>
<i>Manufacturing and Construction Technology</i>	<i>Virtual Reality for Welding, Construction and More!</i>	<i>North Studio 2</i>
<i>Ministry of Education Workshop</i>	<i>Help your Learners Build their Skills in Technological Education courses</i>	<i>Patio Studio 1</i>
<i>Manufacturing Technology</i>	<i>Manufacturing Technology Emphasis Course Safety Resources</i>	<i>North Studio 1</i>
<i>All Secondary Technological Areas</i>	<i>Building Capacity Through the Efficiencies Offered in Technologies</i>	<i>North Studio 6</i>
<i>Technological Design</i>	<i>Solids Design Made Easy</i>	<i>Greenwich</i>

Session #5- Saturday May 11, 2013. 8:45 till 10:00

SESSION	DETAILS	LOCATION
Facilitated Teacher Planning Session	Teachers from specific disciplines will meet and discuss common problems in their subject areas and possible solutions. Each subject area should brainstorm two presentations they would like for their subject areas at the 2015 conference and provide a description of the presentation as well as the presenters' information on the forms provided. Please return the completed presenters forms to the Annual General Meeting.	
Program	Facilitator	Location
Communication	TBA	Grenwich
Computer Engineering	TBA	South Studio 2
Construction	TBA	South Studio 1
Green Industries	TBA	Garden Studio 1
Hairstyling and Aesthetics	TBA	Britannia Room Lower
Health Care	TBA	Britannia Room Upper
Hospitality and Tourism	TBA	South Studio 3
Manufacturing	TBA	North Studio 1
Technological Design	TBA	North Studio 2
Transportation	TBA	Patio Studio 1

Session #6- Saturday May 9 2015. 10:15 till 12:00

OCTE Annual General Meeting and Election of Officers

Hazel McCallion Room

Lunch to follow 12 Noon.

Elementary Science and Technology Day

Saturday May 9, 2015

	Club Studio #1	Club Studio #2	Club Studio #3
8:00 till 9:00	Breakfast & Registration	Breakfast & Registration	Breakfast & Registration
Session # 1 9:00 to 10:30	Primary Strictly Structures Part #1	Junior Geared Up and Feeling Strong Part #1	Intermediate From Bar Links to Talking Heads Part #1
Session # 2 10:30 to 12:00	Primary Strictly Structures Part #2	Junior Geared Up and Feeling Strong Part #2	Intermediate From Bar Links to Talking Heads Part #2
Lunch 12:00 to 1:00	Hazel	McCallion	Room
Session #3 1:00 to 2:00	Primary Rube Goldberg Machines	Junior Engineering in Residence Session	Intermediate A World in Motion. Stem Edu. Workshop
Session #4 2:00 to 3:00	Junior Rube Goldberg Machines	Intermediate Engineering in Residence Session	Primary A World in Motion. Stem Edu. Workshop
Session #5 3:00 to 4:00	Intermediate Rube Goldberg Machines	Primary Engineering in Residence Session	Junior A World in Motion. Stem Edu. Workshop

Elementary Science and Technology Day

Saturday May 9, 2015

Group "B" (If Required)

	Garden Studio #1	Garden Studio #2	Garden Studio #3
8:00 till 9:00	Breakfast & Registration	Breakfast & Registration	Breakfast & Registration
Session # 1 9:00 to 10:00	Primary Rube Goldberg Machines	Junior Engineering in Residence Session	Intermediate A World in Motion. Stem Edu. Workshop
Session #2 10:00 to 11:00	Junior Rube Goldberg Machines	Intermediate Engineering in Residence Session	Primary A World in Motion. Stem Edu. Workshop
Session # 4 10:00 to 12:00	Intermediate Rube Goldberg Machines	Primary Engineering in Residence Session	Junior A World in Motion. Stem Edu. Workshop
Lunch 12:00 to 1:00	Hazel	McCallion	Room
Session #4 1:00 to 2:30	Primary Strictly Structures Part #1	Junior Geared Up and Feeling Strong Part #1	Intermediate From Bar Links to Talking Heads Part #1
Session #5 2:30 to 4:00	Primary Strictly Structures Part #2	Junior Engineering in Residence Session Part #2	Intermediate From Bar Links to Talking Heads Part #2
