

2017 OCTE Poster and Video Contest Criteria

TITLE OF PROJECT:

ONE STOP SHOP FOR SAFETY RESOURCES

Posters or videos will not be evaluated or considered if there are any:

- spelling errors
- school spinning logos or promotions in video
- credits at the end of the video
- no email submission, must use form
- one submission per form

Must use Google Form to submit [video](#) and/or [poster](#):

- student name(s), email, school name, school board, teacher name
- work submitted should be clear, concise, professional and targeted to technological teachers
- must submit signed [media release form](#) for students involved in work submitted

Video submission should include:

- must pronounce OCTE (OC-TEE) properly
- must be 45-60 seconds in length
- posted to YouTube and submit a copy of the link
- should include various BBT'S
- complete OCTE content - copyright free
- must showcase safety, www.octe.ca
- use OCTE nomenclature (SAFEdoc)

Poster submission should include:

- filename: firstname_lastname_schoolname.jpg
- should include various BBT'S
- complete OCTE content - copyright free
- must showcase safety, www.octe.ca
- use OCTE nomenclature (SAFEdoc)

Evaluation:

- meets criteria (spelling, length)
- good visuals (quality of the image, graphics, transitions)
- clarity of message
- inclusion of content
- targets the audience
