

OCT SCHEDULE B PROJECT

The Ontario College of Teachers (OCT) and OCTE share a long standing, successful working relationship. The College is well aware of this association's highly respected history of providing a broad range of services to technological education stakeholder. OCT and OCTE have work in partnership on many successful projects that have had a substantial positive impact on technological education across the province.

OCT representatives have once again reached out to OCTE for assistance in reviewing the current *“Technological Education Additional Qualifications Course Guidelines, Schedule B Teachers’ Qualifications Regulations”* and proposing policy revisions that serve both the profession and the public interest.

OCTE has agreed to facilitate the selection, expense administration, and contracting of qualified writers for the draft revisions of Schedule B guidelines in collaboration with Program Officers of OCT's Standards of Practice and Education. Successful applicants will work as part of OCTE writing teams based on BBT program areas. The project will be managed through three phases ending in August 2018. ***If you are interested in applying for the position of writer for Phase 1, please fill out the application on the OCTE website : www.octe.ca and send to octescheduleb@gmail.com by 4:00 p.m. June 10th, 2018***
