Student determines program pace.	120 credit degree Enrolment is course by course. Student determines program pace.	120 credit degree Enrolment is course by course. Student determines program pace.
<i>Other Considerations</i>					
20	Additional Information	BSc (Hon) in Construction Project Management BSc in Environmental Management BSc (Hon) in Environmental Management Bachelor of Business in Management Applications BSc in Manufacturing Management BSc (Hon) in Quality Management & Technology BEng in Mechatronics BEng (Hon) in Mechatronics	<p>*Average fees depend on the type and number of courses taken within a program. This number is based on taking 10 courses/30 credits per year.</p> <p>**To remain active in a program it is suggested that students take 1 course every two years. There is no formal Full-time or Part-time status other than what is required for student loan stipulations, e.g., 3 courses continuously.</p> <p>*+This is an approximate/average cost (tuition + materials). Course tuition varies by individual course. Check individual courses for specific fees.</p>
