

CONVERSATION EDITING RUBRIC

STUDENTS NAME (S): _____

ELEMENT	Missed Criteria (0-5)	Meets Some Criteria (6)	Meets Most Criteria (7)	Meets All or Exceeds Criteria (8-10)	Score
Natural Sounding: Edits/regions sound like a 'real' conversation.	Too choppy. Doesn't sound authentic or 'real'.	Some edits sound real and most are close together or overlapping.	Most edits sound real and many are close together or overlapping.	All edits sound real and many are close together or overlapping to create an authentic sounding conversation.	
Use of All Sounds: All sound bites have been used.	Not all of the sound bites have been used. Many are missing.	Some of the sound bites have been used. Few are missing.	Most of the sound bites have been used. Few or none are missing.	All of the sound bites have been used. None are missing.	
Fading: Fades have been used to reduce or eliminate 'clicks'.	Clicks are heard at the beginning and end of each region.	Some clicks are heard at the beginning and end of some of the regions.	Most of the fades have been used correctly. Almost no clicks are heard at the beginning and end of the regions.	Clicks are not heard at the beginning and end of all of the regions. Fades have been used correctly to fade 'in' and 'out'.
