- Mining
- Non-profit
- Sports
- Transportation

Get Involved and Support SHSM Programming

- Provide onsite co-op, job shadowing opportunities
- Facilitate facility tours and/or career presentations
- Participate in the Virtual Design Process either provincially or in your local community
- Engage in Sector Partner Experiences related to Math, Coding or Innovation, Creativity and Entrepreneurship
- Deliver Sector specific training or certifications
- Provide videos or sector specific resources/materials to enhance training

Benefits of Becoming a Community Partner with SHSM

- Get involved with schools and inform educators about what skills you are looking for in employees
- Market your organization to potential employees and customers
- Have students bring new ideas, fresh perspectives, and enthusiasm to your workplace
- Direct motivated, young people to the career sector and the skilled trades
- Help you to give back to your community and enhance the skills of our future workforce
- Have students and potential employees help with new projects, complete existing projects, or provide relief during busy times

SHSM Programs Benefit Students

- Students develop an understanding of employer expectations in the work world and the need for lifelong learning
- They provide students the experience to make better career choices and a possible start in a chosen career
- They bridge the gap between theory and practice
- Students can network with professionals from industry/employment sector of interest
- Students develop valuable skills and knowledge, enhancing their resume
