

Site Layout & Grading – Lesson Plan 2

Objective: Survey Reading Assignment

Topic: Assignment

Date:

Aides Req'd: handouts,

Bridge-in: learn the steps, in order, to convert a plan into reality on the job.

Pre-test: review yesterday's info

Instructor:

Handouts & go over assignment

Give them a procedural list of what to do to layout a job. PUT IT ON THE BOARD I.e.: Mark utilities, protect existing plants, mark bed lines etc. set aside storage areas, determine property lines if necessary. Send letters to neighbours re: the work you'll be doing and your contact number. Preventative consideration will save you a lot of headaches in the long run.

Learner:

-make notes on handout of how to measure locations.
